- minimum of fifteen (15) feet from the fence and barrel 3 must be at least twenty-five (25) feet from the back of fence.
- 4.5.3 In smaller arenas, it is recommended that the pattern be reduced proportionately to the standard barrel pattern with the minimum distances for the arena fence listed in 4.5.2 being maintained.
 - 4.5.4 Stakes should be used to mark the positions of the barrels and the barrels should be set on the inside of the stakes in a clover-leaf pattern.

Chapter 5 Payoffs & Fees

5.2 Division of Monies

- 5.2.1 Monies will be split between the divisions of the 4D classes with 40% going to the 1D, 30% going to the 2D, 20% going to the 3D and 10% going to the 4D.
- 5.2.2 The payoff for each place shall be figured by multiplying the number of entries times the entry fee then multiplying by the percentage of payout (i.e. 0.75 or 75%), adding any added money and multiplying this total by the percentage for the division times the percentage for the place.
- 5.2.3 Percentages for places shall be as follows:

1 place	100%
2 places	60-40%
3 places	50-30-20%
4 places	40-30-20-10%
5 places	33-27-20-13-7%
6 places	29-24-19-14-9-5%
7 places	25-21-18-14-11-7-4%
8 places	22-19-16-14-11-9-6-3%
9 places	20-18-15-13-11-9-7-5-2%
10 places	19-17-15-13-11-9-7-5-3-1%

5.3 Fees

More can be paid out at the producer’s discretion. If funds in excess of 25% of the entry fee is needed to cover costs, the producer may charge an Office Charge or an Arena Fee and clearly identify it as an Office Charge or Arena Fee on the entry form.
